Free Garmin Celebrity Voices

Garmin Voices Garmin Voices are great fun whilst you drive to your destination Choose from a wide range of celebrity impressions Morgan Freeman, Alan Rickman and more.. All Garmin Voices are impressions and celebrity names are used for description purposes.. Both downloads come with background images, too: the Yoda package features an X-wing starfighter, while Vader is bundled with his TIE advanced x1.. Whatever you set your Garmin to, the voice will use the appropriate miles or kilometer voice settings.. TomTom users, so Garmin owners should be pretty excited that the Star Wars option is now theirs, too.. Simply choose a voice below, hit the download button and add the voice to your Garmin Nuvi, then you can have more fun on the road with Stuart's Celebrity Garmin Voices.

Lord Vader and Yoda are: It still has and voices available for \$6 as well And there are many third party sites that offer celebrity and character voices for both Garmin and rival TomTom: Services like and have options like,, and, my personal favorite, (uh, NSFW).. Just connect your TomTom or Garmin GPS to a PC or Mac computer, buy and How to Use In-car GPS for Hands-free Mobile Phone Calling.. Jan 29, 2018 - The celebrity voices on the TomTom navigation voices page includes Kim Cattrall.. Whilst you can still order Garmin Voices on the this website, the is now live Ever wish your GPS could direct your vehicle to Hoth? Well, it can't, because Hoth doesn't exist; but if you have a new enough Garmin, you can now integrate 'Star Wars' into it like never before.. That Yoda and Darth Vader voice navigation are now available as premium downloads in its online store.. For \$13, drivers can get their turn-by-turn instructions from either the Jedi Master or the Dark Lord of the Sith.. Below, listen to both the Yoda and Darth Vader GPS voices from Garmin and decide whether or not you want these voices guiding you when you're lost in the middle of nowhere.
